

## Policy 1 | Language

1. English serves as the official and operational language of MUNWB Foundation's conferences.
2. Chairs have the discretion to refuse any written material that is not written in English

## Policy 2 | Plagiarism

1. All written content must be free from any type of plagiarism.
2. Any plagiarized written material will be immediately removed; repeated violations may result in exclusion from award eligibility and further participation in the conference
3. The usage of generative AIs is allowed for research purposes before the conference, however, all written material must be human.
4. Any written content with an average review of 30 %+ from 3 different internally picked AI checkers will be considered plagiarized and AI written
5. Chairs may disregard any material considered plagiarized and AI written

## Policy 3 | Requirements During Conference

1. All delegates are expected to have an electronic device with a functioning camera and microphone during the entirety of the conference
2. Having camera turned on is mandatory for all delegates during all official sessions of the conference and failure to do so may result in ineligibility for awards

## Policy 4 | Decorum

1. Delegates are required to follow instructions provided by the Secretariat,

Chair, and Administrative Staff.

2. All forms of racism, sexism, homophobia, or any other forms of discrimination are strictly prohibited at the conference.
3. Delegates who do not adhere to these regulations may encounter consequences such as;
  - a. Exclusion from award eligibility,
  - b. Ineligibility for the participation certificate,
  - c. Instant removal from the conference.
4. Delegates may only address each other directly during Unmoderated Caucuses.
